On 10-12-05, I Det. Motley, was working the H.S. Football Game between B.T.W. High School & Wetumpka H.S. At the end of the 4<sup>th</sup> quarter, a lady ran back in to the game and said some body had a gun in the parking lot. I started walking towards the entrance behind Deputy Washington, Howard, Lacey, and Walker. They were a little ways ahead of me. By the time I got to the scene, the subject with the gun was on the trunk of <sup>(PM)</sup> the car, and Deputy Whitlow had the gun. Another subject was also arrested for failure to disperse. They were both transported to the Macon County Jail and processed. That's all I saw.
